

Board of Directors Introduction

Do you believe in helping create lifelong riders through building strong bodies, minds, and relationships? Are you passionate about getting more youth out on bikes? Are you looking to give back to the cycling community by sharing your skills with our leadership team? If so, we'd like you to consider being part of our Board of Directors.

Background

The Duluth DEVO youth biking program started in 2013 with only 2 coaches and 20 riders with the primary focus to get kids on bikes in the Duluth area. DEVO programming currently offers riding through four seasons to over 350 youth every year, helping them build skills, confidence, and friendships. DEVO serves youth in grades 2 -12, providing riders of all levels to grow and foster skills and relationships that extend far beyond the trail. Our aim is to provide programming that helps each rider achieve their goals, and provide a fun, supportive, and safe environment to ride. We see cycling as a lifelong sport that will benefit our riders long after they leave our program.

Volunteers Needed

DEVO is heavily supported by many volunteers: our coaches, our event volunteers, and our Board of Directors. Without this volunteer-driven model, DEVO would not be what it is today and will not continue to grow on the current trajectory. The Board provides key support to our Program Directors and are responsible for the oversight of the program direction.
